

January 11, 2024

Dear Valued Customer,

The well-being of our consumers and the quality of our products is a top priority. It is with this in mind that today, Quaker Canada is issuing a voluntary recall on granola bars and Harvest Crunch cereals listed below because they have the potential for salmonella exposure. This action is the direct result of a recall initiated earlier today in the United States by the Quaker Oats Company.

These products were distributed to retailers nationally in Canada. The recalled products may have been shipped to you are listed below. A full list of the recalled products is listed below. Please identify the products in question in your facilities, isolate and destroy all recalled products. If you are a distributor and have distributed any recalled product, please notify your customers of this recall.

Consumers with any product noted below can contact Quaker Consumer Relations (9 a.m. – 4:30 p.m. CST Monday – Friday) at 1-800-532-4004 or visit [www.quakerrecall.ca](http://www.quakerrecall.ca) for additional information.

We are working closely with the Canadian Food Inspection Agency (CFIA) to ensure the products are removed from the marketplace.

You will receive full credit for any product that is authorized to be destroyed. This recall will cause a temporary disruption to normal service levels for these products. We are working hard to minimize that and will keep you apprised of progress. In the meantime, please direct any questions to your account manager.

#### **Next Steps for the Customer**

- Please identify the product in question in your facility and product merchandised for sale and isolate and destroy all recalled products.
- An Affidavit of Destruction must be provided to Quaker prior to receiving credit for the product. Your Customer Account Specialist can provide the Affidavit of Destruction if required.
- You will receive full credit via a deduction for all Quaker-authorized product that you destroyed. NOTE: Credit will not be authorized for any product destroyed that is outside of the Quaker-authorized skus and best before dates listed above, and/or quantities.

- Please contact your respective PepsiCo Sales Representative to confirm that you have received this letter and taken the appropriate action.

We appreciate your partnership and apologize for any disruption this may cause.

Sincerely,

Patrick Charbonneau  
 Vice President, Food Service  
 PepsiCo Canada
